The 7th June 1885.—Under section 2, clause 3 of the Agriculturists' Loans Act, XII of 1884, the Lieutenant-Governor is pleased to extend the Act to the provinces under his administration with effect from this date.

A. P. MACDONNELL,
Secy. to the Govt. of Bengal.

NOTIFICATION.

The 7th June 1885.—Under the powers conferred upon him by section 4, sub-section (1) of the Agriculturists' Loans Act, No. XII of 1884, the Lieutenant-Governor, with the previous sanction of the Governor-General in Council, is pleased to make the following rules as to loans to be made to owners and occupiers of arable land, for the relief of distress, the purchase of seed or cattle, or any other purpose not specified in the Land Improvement Loans Act, 1883, but connected with agricultural objects:—

1. Loans under these rules will be made from such sums as the local Government may from time to time allot to the Board of Revenue.

2. Commissioners will submit, by the 15th October of each year, an estimate of the requirements for loans under the Act for each of the districts of their divisions for the ensuing financial year; and when orders thereon are received from Government and an allotment is made, the Board will distribute such funds as are available. It will be in the power of Commissioners to divide the sum so allotted among the districts of their divisions at their discretion, and to transfer assignments from one district to another, but expenditure in the division must be kept strictly within the amount assigned.

3. Subject to the provisions of these rules, the Collector may sanction loans not exceeding Rs. 700 for purposes specified in the Act, provided the district allotment must not be exceeded without the sanction of the Commissioner of the division. Loans exceeding Rs. 700 require the sanction of the Commissioner, and exceeding Rs. 5,000 the sanction of the Board. A Collector may delegate to an officer in charge of a sub-division the power to sanction loans not exceeding Rs. 250 for purposes specified in the Act.

4. Applications for loans may be presented to any Revenue officer of or above the rank of a Kanungo or Sub-Deputy Collector, for transmission to the Collector.

5. The application shall be made in writing as nearly as possible in the annexed Form A.

6. The Collector shall either make a local enquiry himself, or cause one to be made by a Revenue-officer not below the rank of a Kanungo or Sub-Deputy Collector, for the purpose of ascertaining the particulars mentioned on the reverse of Form A.

7. (1) When the applicant possesses in immoveable property an interest of value sufficient to secure the whole amount that may become payable in respect of the loan, he must mortgage that interest, or a sufficient portion thereof, to the Government as security for the payment of that amount, and no further security need be required from him.

(2) When the applicant does not possess in immoveable property an interest of such value, he must procure some person or persons to become his surety or sureties for the payment of the said amount.

When the sureties are a body of village residents, who bind themselves jointly and severally to the Government for the payment of the amount, their personal security may be accepted. In other cases the security given by the surety or sureties must consist of the mortgage of immoveable property.

8. Repayment shall be by half-yearly instalments, the date of the instalment not exceeding one year from the date of the loan.

9. The date of the last instalment shall not ordinarily exceed five years from the date of the loan. With the sanction of the Board of Revenue, the time for repayment may in special cases be extended to ten years.

10. If the loan applied for is one that can be granted under the provisions of section 4, sub-section (1) of the Act, and the security offered is good and sufficient, the Collector may, on completion of the local enquiry, sanction the loan himself, if empowered to do so. Otherwise he shall forward the application with his report to his superior officer for disposal.

11. (1) If the loan is sanctioned, the applicant must sign the order granting the loan, which shall be in the annexed Form B, as nearly as may be.

(2) If the security for the repayment of the loan consists of the mortgage of an interest of the applicant, such as is referred to in clause (1) of rule 7, the mortgage may be effected by clause (*d*) of the form being inserted in the order granting the loan, and by the order being attested by at least two witnesses and registered.

(3) If the security is furnished by a surety or sureties, it will be taken, where the sureties give personal security only, in the annexed Form C, and, where the surety or sureties mortgages or mortgage immoveable property, in the annexed Form D, which should be attested by at least two witnesses and registered.

12. A copy of the order granting the loan shall be given to the applicant, and payment of the loan shall be made at the district or sub-divisional treasury on its presentation.

13. (1) The rate of interest shall be one anna in the rupee, or $6\frac{1}{4}$ per cent. per annum.

(2) But the Local Government may, for special reasons, and on special application through the Board of Revenue, sanction a loan at a lower rate of interest or without interest.

(3) If any instalment of principal or of interest, or of consolidated principal and interest, is not paid when it falls due, the Collector may, if he thinks fit, charge interest on it at any rate not exceeding $6\frac{1}{4}$ per cent. per annum from the date of its falling due to the date of payment.

14. The repayment of the loan shall be made in accordance with the table marked E, which shows the amount of equal half-yearly payments necessary to repay a loan advanced with interest at $6\frac{1}{4}$ per cent. per annum for any number of years from one to ten.

15. The dates for payment of instalments shall usually be the dates fixed for payment of the land revenue.

16. Instalments may be suspended by order and at the discretion of the Collector on proof of failure of crops or other exceptional calamity. The Collector shall report the suspension through the Commissioner to the Board of Revenue, who shall pass such orders on the case as may seem proper.

17. If at any time it is proved to the satisfaction of the Collector that any part of the loan has been misapplied, he may, after recording in writing the grounds of his decision, and subject to the control of the superior Revenue authorities, proceed to recover the whole amount of the loan with such interest and costs (if any) as may be payable in respect thereof.

18. When any portion of the amount payable in respect of a loan made under these rules is found to be irrecoverable, a special report shall be made to the Board of Revenue.

19. The Board of Revenue shall regulate the forms of all returns, registers, and accounts relating to loans under the Act.

AFRICA—EAST COAST.

RED SEA—COAST OF NUBIA.

Shoals in Northern approaches to Trinkitat Harbour.

WITH reference to Notice to Mariners No. 18 of 28th March 1885, issued by this Department, on the existence of certain shoals lying in the approach to Trinkitat *(Taring-hatah)* harbour from the Northward, Western shore of the Red Sea.

The following information, the result of an examination of the locality, has been received from Commander the Hon'ble F. C. Vereker, H.M.S. *Rambler*, through the British Admiralty, London:—

Sha'b-ul Shubuk.—A reef extending 6 cables in a North and South direction, and 3½ cables wide, having a small sand cay near the centre, forms the S. E. extreme of Sha'b-ul Shubuk; this reef is separated from the main reef by a passage two cables in width; it may be passed on the eastern side at a distance of about 3 cables.

Position of the small sand cay.—Latitude 18° 44′ 40″ N., longitude 37° 44′ 45″ E.

A shoal *(Rambler shoal)* extending 4 cables in a N. N. W. and S. S. E. direction, and 2 cables wide, with a least depth of 3 fathoms over coral, and 4½ fathoms around, lies with the sand cay on the S. E. extreme of Sha'b-ul Shubuk, bearing N. 17° E., distant 1¼ miles.

A circular coral patch *(Fairway patch)* two cables in diameter, and a least depth of 4 fathoms, lies with the sand cay on the S. E. extreme of Sha'b-ul Shubuk, bearing N. 8° W., distant 2¼ miles.

Rás Makdah is marked by the most conspicuous of the low sand hills in the vicinity, a ridge 37 feet high. The point is low, with *three small islets* lying northward of it; shoal ground extends ¾ to 1½ miles of shore. Mersa Makdah is the bight enclosed between the S. E. part of Sha'b-ul Shubuk and Rás Makdah. Anchorage in 8 to 9 fathoms, sand and mud can be found, under the lee of the reef, over the northern portion of the bight, but the southern part is blocked by the shoals extending 1½ miles northward of Rás Makdah.

Trinkitat (Taring-hatah) harbour off the entrance is an extensive coral reef, named Kat' at Kennashah, which is steep-to and always visible. Between this reef and the harbour entrance is a shoal extending, within the 5 fathoms line, 2 cables in a North and South direction and ¾ of a cable in width with a least depth of 3 fathoms. The harbour lies 2 miles S. E. of Rás Makdah. The entrance is not easily distinguished from seaward, the coast being low and sandy. Shoal ground extends 1½ cables S. E. of the north entrance point of the harbour and 3¼ cables northward of the south entrance point, narrowing the entrance within the 3 fathoms line to about half a cable. *Two* temporary *beacons* have been erected on the western shore of the harbour, which, kept in line bearing S. 55° W., lead in between the shoals with 24 feet least water. Should the becons be down, a stranger should buoy the entrance before attempting to enter.

Outside the harbour there is good anchorage in 6 to 7 fathoms under shelter of Kat' at Kennashah.

In the vicinity of the harbour the coast is low and barren, consisting of sand hillocks with scattered scrub. A sandy plain, flooded at times, extends for a considerable distance inland.

The bearings are Magnetic.

Port Officer of Calcutta.

The shoalest patch extends half a mile in a N. W. by N. and S. E. by S. direction with a breadth of 2 cables, and lies with the following bearings and distance:—

Rájpuri point ... ... N. by E. ¼ E.
Kumbáru point ... ... N. E. by E¼ E., distance one mile.

The other portion of the shoal is a ridge lying about a third of a mile seaward, and is about a mile in length in a direction parallel to the shore.

Position.—Latitude 18° 12′ 35″ N.; longitude 72° 54′ 0″E.

HIGH COURT NOTICES.

No. 7, dated Calcutta, the 27th April 1885.

From—C. A. WILKINS, ESQ., Registrar,
To—All District Judges in Bengal and Assam.

THE Judges of the High Court having learnt that certain processes sent from the Court of Small Causes at Benares for service in Bengal have in several instances been returned by Civil Courts in this Province unserved, merely because no one on behalf of the parties, at whose instance such processes were issued, appeared in those Courts to point out the persons to be served, although such persons were presumably well and commonly known by reason of their position in local society, I am directed to convey the following instructions for your guidance and that of the Courts subordinate to you.

2. When a summons is received under section 85, Civil Procedure Code, for service in your district, it shall be the duty of your Nazir, and of those of the Courts subordinate to you, to make all reasonable efforts to effect service, and this whether or not any one appears on behalf of the person at whose instance such summons was issued to point out the person to be served. Although the Rules* for the service of processes require that sufficient proof be afforded of proper service, and suggest the presence of some one to identify the person to be served, they do not provide that no attempt at service shall be made unless a person appear to identify. If no such person appears, the peon must nevertheless endeavour to effect service, and where the person to be served is a well-known individual, the peon should be able to find him and effect service without the aid of a person to point out and identify him.

* Chapter V, rule 3, clauses (*a*) to (*r*), pages 245 to 249, Rules and Orders, Civil.

Circular orders issued by authority of the High Court of Judicature at Fort William in Bengal.

To be substituted for Rule of same No. and Date.

CIVIL.

Rule No. 7, dated the 13th April 1885.

(*c*.) All the fees abovementioned shall be paid in Court-fee stamps, if the commission is to issue to a Court. If it is to issue to a Pleader of a High Court, the additional fee shall be received in cash and transmitted together with the commission to the Court in which the Commissioner is practising as a Pleader, and when such Court is the High Court, to the Registrar.

To clause (*c*) of Rule 9, Chapter I, page 15 Civil Rules and Orders, append the following as a foot-note :—

Fees transmitted to the Registrar, as provided above, shall be remitted by money order payable to the Accountant, Office of Registrar, High Court, Appellate Jurisdiction.

CIVIL.

No. 8, dated the 21st April 1885.

(7) Prefixed to each record there shall be a fly-leaf or index of its contents: this must be prepared as soon as the trial is terminated. In this general index the exhibits contained in the record will only be mentioned by number, but there must be a supplementary index showing separately for each party to the suit the documents used by them. The entries in these subordinate indices shall specify the nature of each document with its date.

NOTE.—It is not necessary that a detailed list of the exhibits admitted in evidence in a case should form part of the general index of the contents of the trial nuthee. It is sufficient to state in the general index the number of exhibits used by each party, the necessary detail being given in the supplementary lists of exhibits, which should also have a column to show the distinguishing mark put upon each by the Court.—(C. O. No. 24 of 14th June 1877).

(7A)[1] The fly-leaf shall be in the following form. Columns 5, 6 and 7 will be filled in by the Amlah in charge of the records, before sending them into the record-room. On receipt of the records in the District Judge's office, the record-keeper shall compare the entries in these, as in other columns, with the records themselves, and shall bring to the immediate notice of the District Judge any instance in which the rules for the cancellation of stamps have not been strictly carried out, or in which the entries have been wrongly made, or any other irregularity in regard to the stamps that may have occurred.

The 188 .

Clause 7A was prescribed by C. O. No. 29 of 28th November 1881.

(9) Papers other than those herein before specified shall be kept apart, when they ought to be kept at all, and form the process record.

NOTE.—A separate fly-leaf should be prepared for the process record in which the papers should be grouped as much as possible, all processes to plaintiff's witnesses and all processes to the witnesses of each defendant or group of defendants being entered consecutively. Petitions and other papers should be similarly shown. If there are any papers which cannot be distributed among the several parties, they will form a separate group by themselves (C. O. No. 24 of 14th June 1879).

The following corrections should be made on page 307, Civil R. and O.:—

1. For clause (7) and "Note" substitute the following:—

(7) Prefixed to each record there shall be a fly-leaf or index of its contents. This must be filled in by the ministerial officer in attendance on the Bench from day to day as the trial proceeds. In this index the exhibits contained in the record will be mentioned only by number, as all other necessary particulars will be forthcoming from the list of documents filed by the parties.[1]

[1] *Vide* revised Rule 3, page 2, Chapter I.

2. In clause (7A), for the words "Columns 5, 6, and 7 will be filled in by the Amlah in charge of the records, before sending them into the record-room," *substitute*—

"Columns 1 to 7 will be filled in as the trial proceeds. Column 1 will give the serial number of the sheets on the record, and column 4 the dates of filing the documents, in chronological order."

3. In the same clause, for the words "in these, as in other columns," *substitute* "in all the columns."

4. In the "Note" to clause (9), for the words "a separate fly-leaf should be prepared for the process record, in which the papers should be grouped as much as possible," *substitute*—

"A separate fly-leaf, in the form given in clause (7A), shall be prepared for the process record in the manner prescribed in clauses (7) and (7A)."

5. In the same "Note" cancel the words:—

"If there are any papers * * * * * group by themselves."
